## Objective

I am passionate about the social sciences and public health and am seeking a position where I am involved in research or improving community health and wellness.

## Skills & Interests

- beginning Spanish proficiency
- some coding experience
- interest in medical history
- maintaining and following a schedule
- Microsoft Word/PowerPoint/Excel

## Education

MPH / CSUSM (2024 – 2025 in progress)

BA Sociology / CSUSM (2023 – 2024)

## Experience

*owner / creator / sales / mickey mack's hats and crafts 2002 - 2024*

As a sideline to my education, I create both hand- and machine-knit hats and jewelry and accessories for the consumer. I sell these from my website but also at selected in-person events as time allows. Additionally I design and sell digital patterns for cross stitch, brick stitch bead weaving, and crochet.

*artists / embroidery tech / embroidme 2007*

Created graphics for promotional items and finished embroidery as per customer request.
